History

The Sturt Pistol and Shooting Club (the Club) was formed in 1956 and started shooting on land just off Seacombe Road at Seaview Downs.

In 1958 Sturt moved to its second home in a quarry on Jack Sheidow's land (now part of the southern suburb of Adelaide, Sheidow Park).

In 1992 Sturt again elected to move when government land became available for lease in the new O'Halloran Hill Recreation Park. The Club is one of the oldest Pistol Clubs in this State and has more than 100 members.

Location

The Club's 4 hectare Range is on the picturesque slopes of the O'Halloran Hill Recreation Park with sweeping views from Seacliff & Glenelg to the west, Adelaide to the North and the Adelaide Hills around to the East.

Entry is from Majors Road via a gate on the northern side approximately 400 metres east of the Majors Road and the Lonsdale Road & Ocean Boulevard intersection. This gate is shared with The Southern Field Archers.

Facilities

The Club's Range consists of a well maintained outdoor live fire range comprising:

Ranges 2 & 3 — Both 25M Ranges each having 2 bays of turning targets.

All shooting positions are south facing, are undercover and protected from the weather.

Air Pistol Range — Our 10M Air Pistol Hall comprises of 16 bays each with its own returning target system. This Range will be air-conditioned in summer and heated in winter as soon as budget allows.

Club House — The Club House has a kitchen, is air-conditioned in summer and heated in winter. There is plenty of seating, inside and out, for relaxing after shooting in a social environment.

Liquor Licence — The Club has a limited Liquor Licence (after 3.30pm) for members to enjoy a social beer or glass of wine after a shoot.

Competition

The Club is affiliated with the International Shooting Sport Federation (I.S.S.F.) and therefore competes primarily in the Olympic and Commonwealth Games matches. These matches consist of: 50M Pistol (Free Pistol), 25M Pistol, Standard Gun, Rapid Fire, Centre Fire and Air Pistol.

The Club also offers other matches including: Service Pistol (25M course only), Centre Fire 50M, Black Powder 25M, Black Powder 50M, .22cal Rifle & some C/F Rifle, Air Rifle and a Club Match.

Men and women can compete in ALL matches. However, Air Pistol and 25M Pistol does have a Women only category and Juniors only category.

All matches you compete in are recorded both as an "off-gun" score as well as a "handicap" score.

During the year other competitions are also programmed - including the Club Championships for each match and a Trophy Shoot each month.

Open Shoots are contested at other Pistol Clubs around the State (and interstate) throughout the year. Members are encouraged to attend these "Opens", and for the more competitive member, scores recorded at these "Opens" become the selection criteria for State Team selection. From State Team selection the opportunity exists for the serious shooter to go on to National, International, Commonwealth Games or Olympic competitions.

Programme

An Annual Programme is available.

Match times:

- 12.30 & 1.00 pm Saturday (see programme)

Newsletters

Members receive a monthly Club newsletter **On Target** and 3 issues a year of both the State magazine **SARPA News** and the National magazine **The Bulletin** from Pistol Australia. The last two publications provide information on State and National activities, competitions and general pistol shooting related information.

We encourage visitors to our Club and generally they can participate in shooting activities.

ALL visitors MUST enter their details in the **Attendance/Visitor's Register**. Visitors who do not have a Firearms Licence and are looking to join the Club MUST also enter their details in the **Visitor's/Trainee's Register**.

This fee covers targets, patches and insurance.

New shooters are required to undertake a **Firearms and Safety Awareness Training** course (approved by SAPOL) and run by qualified Club Instructors. Shooting safety, theory & practical aspects of pistol shooting are covered and at the same time the opportunity to ask questions about pistol shooting is available.

Courses are usually on a Saturday or Sunday morning but week nights or other mutually agreeable times are possible. After successfully completing the course, the Club will issue an accreditation to the South Australian Police for issue of the appropriate Firearms Licence.

Our Club has members with many years of shooting experience, all being more than willing to help or advise new shooters. New shooters also have access to formal coaching sessions, both within the Club and through the State's Coaching Council.
